

RAS REINHARDT MASCHINENBAU GMBH

Production Program

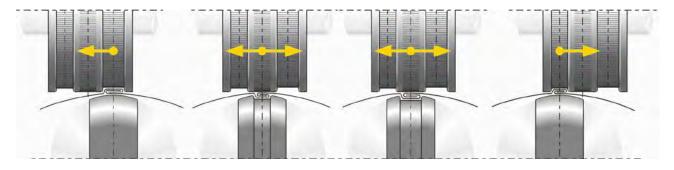

INNOVATION MADE IN GERMANY SEAM CLOSING MACHINE

RAS 25.15

The Seam Closing Machine closes tube seams with widths of 10 mm and 13 mm on round tubes. Changeover from inside to outside seams in seconds. The working length can be doubled, by turning the tube.

For closing inside and outside seams on round pipe.

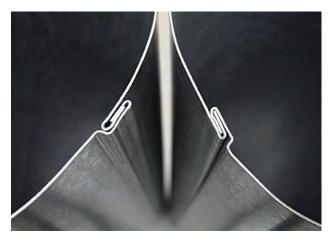

Closing of longitudinal seam (tube seam) on round tubes

Wide application range for pipes up to 3000 mm in length.

Quick changeover from inside to outside seams.

	G
	RAS 25.15-2
SHEET THICKNESS MAX.	0.88 mm
WORKING LENGTH	1520 mm
SHAFT DIAMETER	90 mm

About us

RAS REINHARDT MASCHINENBAU

The company

RAS is proud to manufacture and distribute high-quality premium sheet metal fabrication products. Our expertise runs the gamut of developing groundbreaking solutions that help our customers achieve their goals.

At RAS, we firmly believe in the importance of first-class advice and expertise. Our mission statement is to treat each customer as if they were the only one, because we value each customer's individual needs and requirements.

What sets us apart at RAS is our commitment to setting the highest standards for our own business. We demand continuous excellence from ourselves and strive to exceed our customers' expectations. With over 200 attractive and safe workplaces, we offer not only first-class products, but also a supportive working environment for our employees.

Our focus is on identifying and developing our strengths. At RAS, we understand that continuous improvement is the key to success. As a family business, we build on mutual trust, both within our company and in our relationship with customers and partners. We focus on maximum vertical integration and consistently high quality in all our products—in line with the "Made in Germany" label.
