DUCT SEAMING MACHINES

DuctZipper V-Form

The RAS DuctZipper-V forms and closes the seamed joint on small and medium size air ducts. Professional air ducts can hardly be produced faster, more easily and more economically. The RAS DuctZipper closes a duct bent on three sides with a seam in a single pass.

Air duct with a single seam joint

Air duct with two seam joints

Quick and easy forming and closing of long seams on air ducts

Guide bar

Duct seam

DuctZipper with SealJet for maximum tightness and energy efficiency.

Duct seam inserted with gel sealant for the highest tightness requirements.

Autopilot and reinforced seaming bar on the RAS 20.12 DuctZipper.

SHEET THICKNESS MAX.	0.5–1.00 mm	1.0–1.25 mm
DUCT CROSS-SEC. MIN.	100 x 100 mm	140 x 140 mm
SPEED CA.	15 m/min.	15 m/min.

RAS REINHARDT MASCHINENBAU

The company

RAS is proud to manufacture and distribute high-quality premium sheet metal fabrication products. Our expertise runs the gamut of developing groundbreaking solutions that help our customers achieve their goals.

At RAS, we firmly believe in the importance of first-class advice and expertise. Our mission statement is to treat each customer as if they were the only one, because we value each customer's individual needs and requirements.

What sets us apart at RAS is our commitment to setting the highest standards for our own business. We demand continuous excellence from ourselves and strive to exceed our customers' expectations. With over 200 attractive and safe workplaces, we offer not only first-class products, but also a supportive working environment for our employees.

Our focus is on identifying and developing our strengths. At RAS, we understand that continuous improvement is the key to success. As a family business, we build on mutual trust, both within our company and in our relationship with customers and partners. We focus on maximum vertical integration and consistently high quality in all our products—in line with the "Made in Germany" label.
